

Rowan Class and Saturn Class Home Learning: Friday 10th September 2021

The following plan is designed to conclude our work on The Promise and creative weeks.

Theme: **Then and now, near and far**

Activity 1:	Near and Far: Think about places that you have visited on holiday. This may be within the UK or abroad. Select two destinations and compare them with one another. Think of landmarks, tourist attractions, landscape, etc. Which did you prefer and why?
Activity 2:	Near and Far: This work will reflect green spaces. Think about the use of green space within your selected destination from the previous activity. How were they used? What was the benefit for the community/population? Could this be related to well-being?
Activity 3:	Then and Now: Select one of the destinations from above and complete some research on how the location has changed over the years. This could be based on landmarks, tourist attractions, etc. Is this location heavily populated? What does the community do? Has the community grown over time? Note changes.

Extra activities:	English	Maths	PE
	Take an accelerated reading quiz on a book that you have read recently at home. Read for pleasure outside in the garden or a quiet place inside. Write a book review of your favourite book to share with others.	Spend some time using some online maths resources: Hit the Button - Quick fire maths practise for 6-11 year olds (topmarks.co.uk) KS2 Maths - BBC Bitesize Daily 10 - Mental Maths Challenge - Topmarks Connect 4 Factors (transum.org)	Complete a Joe Wicks PE workout Spend some time doing kids yoga Design and complete your own exercise workout for 30mins
