Exciting Writing	LO: To perform the poem that I have composed.	Exciting writing edit
<p>For our exciting writing this week it will be linked to our Career Week.</p> <p>You need to write about your dream job. Think about why you may want this job, what does the job involve and what skills do you already have to be suitable for the job?</p>	<p>Using your poem that you wrote last week, think about how you might perform it. Then, ask an adult to record you performing your poem and upload it to tapestry.</p>	<p>Today we will be editing our Dream Job Exciting Writing.</p> <p>Your teacher will send you a copy of your exciting writing.</p> <p>Work through the PowerPoint to remind yourself of the editing stations.</p>
Please submit your work through Tapestry.
