

Year 1 Extra Maths Activity

Counting in 2s

True or false

- An even number is always followed by an odd number.
 - One more than an odd number is an even number.
 - Two less than an even number is another even number.
-

Who has an odd number of socks?

Sam: 20 socks

Ann: 17 socks

Amit: 16 socks

Bella: 10 socks

Chaz: 7 socks

Tick each even number. Put a cross by each odd number.

10	24	4
31	13	18

Tina starts counting in 2s from 7. Will she say 51? Will she say 34?

Explain your ideas.
