Early Intervention Family Workers are linked to Primary Schools and run regular in-school sessions, as well as being available for direct enquiries to suit parents and carers needs.

Early Intervention Family Workers offer support and advice, helping you to find new ways of managing common issues such as:

- Challenging behaviour
- Establishing routines
- Raising self-esteem
- Increasing confidence
- Improving family relationships
- Signposting to the District Team or other professionals

Parenting can be the hardest, yet most rewarding job in the world. Our aim is to offer different levels of support to you as you raise your children.
