

Remembrance

This week we spent time thinking about and remembering what happened during the First World War and any subsequent wars; we remember the soldiers who have fought and died for our country.

Homework Tasks:

- 1) Write an acrostic poem. Select from POPPY, POPPIES, HERO or REMEMBRANCE. You may wish to select your own word to use for the poem. You may even use more than one of the suggested words to write more than one acrostic poem.
- 2) Create a window display for Remembrance Day and take a photo for your homework book.

Lest We Forget
