

Jupiter and Oak Maths Plan Week Commencing 29th November 2021.

Monday	Tuesday	Wednesday	Thursday	Friday
Nrich activities focusing on money.	Word problems focusing on money.	Practical lesson focusing on giving the same amount in a variety of ways.	Practical lesson focusing on giving change.	Please complete set tasks on Mathletics.
For today's session, we are focusing on completing a few Nrich activities focusing on money.	For today's session we are focusing on completing word problems to show our understanding of money.	For today's session we are opening our own shop! We are focusing on giving the exact amount, and in a variety of ways.	For today's session we are opening our own shop! We are focusing on giving the exact amount, and in a variety of ways.	
Choose two or three Nrich activities to complete. Remember to use resources to support your learning.	Choose a selection of word problems to complete. Remember to use resources to support your learning.	First ask someone at home to play a game of money bingo, using the cards on the website.	First have a go at this game: Blast Off - Mental Maths for 5 to 8 Year Olds (topmarks.co.uk) to practice our subtraction skills.	
Five Coins: https://nrich.maths.org/142?utm_source=primary-map		Then using the shopping cards, and a variety of coins and notes, see if you can buy the items with the exact amount. Then once you have done this, can you find different ways to make the same amount.	Then using the shopping cards, and a variety of coins and notes, see if you can buy the items with more money than needed. Then once you have done this, work out the change you would receive. Remember to use the methods we have learnt to help with subtraction.	
The Puzzling Sweet Shop: https://nrich.maths.org/223?utm_source=primary-map				
Fruity Pairs: https://nrich.maths.org/14727?utm_source=primary-map				
Please submit your work through Tapestry.
