

Reception Maths Grid Commencing 19th July 2021

Counting

Next time you open a packet of raisins, some carrot sticks or apple pieces, count out how many you have. If you are sharing, how many could you give the other person?
Write the number down.

Doubling

The new reception children visit your class for an afternoon. There are usually 10 children in your class but today there are double that amount. How many children are there altogether?

Counting on

In a football match, Mrs Whiting's team have scored 3 goals. Then Mrs Whiting score 1 more goal!
How many goals have they scored altogether?

One more or one less

Build a tower with 7 bricks. Can you build two more towers of bricks, one that uses one less than 7 bricks and one that uses one more than 7?
Can you put these in an order?
What do you notice?

Halving

Count out 10 sticks or stones. Put half into the soil for animals to hide under and put half in a wooden box for an insect home.
How many do you have in the box?
How many in the soil?

Finding the number

With a grown up, draw a large 0-10 number line on the ground in chalk. Stand on the number 10.
Ask your grown up to say a number between 1-10. Count back that number by jumping along the number line.
