

Year 2 Maths Week Commencing 11th October 2021

Lesson 1	Lesson 2	Lesson 3	Lesson 4	Lesson 5
LO: To work out questions using number bonds to 100.	LO: To add and subtract 1s	LO: To find 10 more than and 10 less than a given number.	LO: To add and subtract 10s.	Please complete set tasks on Mathletics.
Activity/Resources: Complete the prior learning activity sheet and then work through the PowerPoint. Choose the task that matches your understanding. Mild - Complete the bonds to 100 varied fluency activity as independently as possible. You can use dienes or 10s sticks to help you. Medium/Spicy - Complete bonds to 100 mixed VF and RPS sheet. EXT: Can you work independently to solve a reasoning and problem solving sheet.	Activity/Resources: Work through the PowerPoint to learn about adding and subtracting 1s from a given number. Complete the worksheet either by writing on the sheet or by writing out full answers as shown at the end of the lesson.	Activity/Resources: Work through the PowerPoint to learn about how to find out 10 more or 10 less than a number. Choose and complete the robot activity sheet that matches your understanding of the lesson. EXT: Can you answer the 6 challenge questions on the stickers? Explain how you worked out your answer.	Activity/Resources: Independently work through the discussion problems to find a solution for each. Explain how you worked out your answers to an adult. <i>How did you work out your answers? Is there only one solution for each answer? Which method did you use to work out your answer?</i>	

Please upload all work completed to Tapestry for feedback.
