

Year 2 Maths Week Commencing 18th October 2021

Lesson 1	Lesson 2	Lesson 3	Lesson 4	Lesson 5
LO: To add by making 10. (recap)	LO: YR2: To add 2-digit and 1-digit numbers (Crossing 10). <i>Practical</i>	LO: LO: YR2: To add 2-digit and 1-digit numbers (Crossing 10).	LO: To subtract crossing 10 (recap).	Please complete set tasks on Mathletics.
Activity/Resources: Work through the PowerPoint to recap making 10 by partitioning. This should not be too tricky as you should be comfortable with number bonds to 10. Complete the making 10 sheet and then see if you can work out the answers to the Activity 2 questions by making 10 first. EXT: Complete the addition questions using column method if you know how to.	Activity/Resources: In this lesson we are going to be using the column method to add numbers crossing 10. Work through the PowerPoint to see how to add these numbers. Using the question sheet, can you practically make the numbers and remember to exchange ten 1s for a 10s stick. Take pictures for evidence.	Activity/Resources: Using our learning from last lesson, we are going to be using written column method to solve addition questions. Work through either the mild, medium or spicy question sheet and remember to show your working out with carrying/exchanging.	Activity/Resources: Work through the PowerPoint to recap using number lines to subtract or using jottings. Then, complete the WhiteRose attached sheet.	

Please upload all work completed to Tapestry for feedback.
