

Year 3 Maths Week Commencing 4th October 2021

Monday	Tuesday	Wednesday	Thursday	Friday
LO: To add and subtract multiples of 100.	LO: To recap adding and subtracting 1s.	LO: To add and subtract 3-digit and 2-digit numbers, not crossing 10.	LO: To add and 2-digit and 1-digit number by crossing 10. (recap)	Please complete 1 hour of work on Mathswizz.
Activity/Resources: Work through the PowerPoint to refresh your memory of adding and subtracting in hundreds. Work alongside the video to complete the tasks. Choose the sheet that matches your understanding and complete the WhiteRose questions.	Activity/Resources: <i>This is a recap session.</i> Work alongside the PowerPoint to recap using number lines to add and subtract. Complete the worksheet either by writing on the sheet or by writing out full answers as shown at the end of the lesson.	Activity/Resources: Work through the PPT to refresh your memory of using the column method for adding and subtracting. Watch the videos and complete the activities. Choose the question sheet that matches your understanding. Show your working out using column method. Remember to start from the ones and work your way to the tens and hundreds.	Activity/Resources: Work through the PowerPoint and try to make the numbers using resources. Complete the addition crossing 10, using dienes or any resources that you have at home to represent 10s and 1s e.g. pens and rubbers. Remember to start with the 1s column first, then move to the 10s.	

Please upload all work completed to Tapestry for feedback.
