

Year 3 Maths Week Commencing 27th September 2021

Monday	Tuesday	Wednesday	Thursday	Friday
LO: To use a number line to identify and estimate numbers up to 100.	LO: To use a number line to identify and estimate numbers up to 1000.	LO: To consolidate my understanding of number lines.	LO: To count from 0 in multiples of 50.	Please complete 1 hour of work on Mathswizz.
Activity/Resources: Follow along with the PPT to refresh your knowledge of counting in 2s, 5s and 10s. Watch the WhiteRose teaching video on the PPT and work alongside to complete the questions. Complete the WhiteRose number lines to 100 worksheet.	Activity/Resources: Follow along with the PPT to refresh your knowledge of counting in 3s. Watch the WhiteRose teaching video on the PPT and work alongside to complete the questions. Complete the WhiteRose number lines to 1000 worksheet.	Activity/Resources: Follow along with the PPT to refresh your memory of using number lines. Using the skills we have looked at this week, can you complete the reasoning and problem solving sheet on number lines to 1000.	Activity/Resources: Choose the sheet that matches your understanding (either Developing or Expected). Use your knowledge of counting in multiples of 50 to solve the problems. When you have completed one sheet, move onto the next sheet, either Expected or Greater Depth.	

Please upload all work completed to Tapestry for feedback.
