

Ash/Mars Other Subjects Learning Grid Week Commencing 14th March 2022

This week is British Science Week, spend some time exploring the activities.

Activity 1

This year's theme for British Science Week is *Growth*.

Watch this video which explains how science helps us every day with our health and bodies.

<https://www.youtube.com/watch?v=15wBAxxbhbU>

Activity 2

What do plants need to grow?

Follow the experiments instructions to find out what do plants need to grow?

(Our Science ambassadors we provide you with cress)

Activity 3

What is a scientist?

Before looking at the presentation draw a picture of what you think a scientist looks like. Take a look at the presentation at all the variety of scientists with a grown up.

Now draw another picture of a scientist. Is your drawing different? Why do you think that is?

1. Read your reading book.
2. Practise reading your word wall and tricky words.
3. Practise your number formation.

Activity 4

Plant diary

Whilst you are growing your cress, complete a plant diary with your grown up.

Draw a picture of your plant every day.

Activity 5

Frog Life Cycle

Watch these videos about the frog life cycle:

<https://www.youtube.com/watch?v=gmlaclb3K2o>
https://www.youtube.com/watch?v=lxISGf9_ama

Cut the pictures and sequence them to create a frog life cycle headband.
