

Forest School

This week we are finishing our work on *The Secret Sky Garden* by planting some seeds and bulbs in school. If you have a garden, with an adults support, could you maybe tidy up the weeds or tend to the plants if you have any. This could be easily completed inside by simply watering any houseplants or flowers that you have.

RE Session 1

Our enquiry questions for this half term are 'What was life like as Jesus? Why was Jesus important?'

Complete the KWL grid for Jesus Christ. Remember to only complete the 'K' - *What I know* and 'W' - *What I want to know* sections. We will complete the 'L' - *what I have learnt* section at the end of our topic.

Re Session 2

In this session we are looking at who Jesus was and what his life might have been like. We are also going to link this to our topic of the Romans.

Using the worksheet, can you create a fact file about Jesus using the information that we find out on the PowerPoint.

PE

Complete a Joe Wicks 30 minute workout on Youtube.

Computing

On Espresso Coding, complete the next session on the level you are on.

Growth mindset

Follow along with the growth mindset PowerPoint and read the case study of Sarah. Write down what advice you might give to Sarah to have a growth mindset. Then, can you answer the questions at the end of Powerpoint in full sentences.
