

Oak/Jupiter Class Year 2 Home Learning Week Commencing 1st February 2021

<u>Computing YR2</u> LO: To learn how to use key press events in block coding. Using espresso coding, complete the espresso Block Coding Level 2 lesson -Key to the race. The videos will explain how to complete each task. The link and a picture of where to find the activities are below. Your children should be able to follow this with minimal support.	<u>Music</u> LO: I can listen to the music and identify the Indian drum syllables. Listen and watch the attached video. The second time you watch, listen out for the orchestra chanting the Indian drum syllables, then have a go yourself. Then have another listen and see if you can change the pitch. The words are on the lesson plan.	<u>RE</u> LO: To understand what makes a Gurdwara special to Sikhs. Watch Sikhism Lesson 3 about the importance of the Gurdwara and complete the activity attached, choosing the star level that suits your understanding. Match the pictures of the Gurdwara to their facts or write the names of the places next to their facts.
<u>Bonus</u> Practice your handwriting with a focus on the 'ig' join. Work through the worksheet attached. Then see if you can find different ways to practice your handwriting. This could be in the snow, in some flour or any other creative ways you can think of!	<u>Science</u> LO: To be able to use a materials properties to explain why it is suitable or unsuitable for an everyday object. Work through the PowerPoint and when a question is asked, discuss the questions with someone at home. Then work through the worksheet provided. There are three levels. Please choose the level you feel most comfortable with. Please upload this work onto Tapestry.	<u>Phonics Refresher</u> Work through some of the activities on Espresso 'Sals Phonics'. Focus on the phonic sounds you struggle with, and have a go at the challenges. https://central.espresso.co.uk/espresso/primary_uk/subject/module/frontscreen/item63429/grade/index.html
