

<u>French</u> LO: To be able to listen attentively and show understanding of giving and following classroom instructions. This is the first lesson of our new unit 'All About Me' The first lesson is looking at classroom instructions. Follow along with the PowerPoint and the sound files, and then complete the activity attached. There are three different levels, please choose the level you feel most comfortable with. Remember to copy and repeat after you hear the word or phrase.	<u>Music</u> LO: Learn about drones and ragas and improvise a solo. Watch the BBC Ten Pieces video from last week again about Ravi Shankar. We are learning about ragas and drones. Using one of the free xylophones online or a tuned instrument if you have one, compose a short piece of music using just the notes of the raga. You may also use Garageband or ChromeLab.	<u>RE</u> LO: To understand where and how Sikhism was founded. Last week you researched and create a general presentation/poster about Sikhism. Can you complete the attached KWL grid for Sikhism? Remember to leave the last column as we will fill this in at the end of the unit. Watch Sikhism Lesson 1 about the story of Guru Nanak and complete the activity attached. You need to retell the story of how Sikhism was founded. Pick the level of difficulty that you think you can manage - use the pictures to help you!
<u>Bonus</u> Look at News Bites and complete the weekly quiz 	<u>Science</u> LO: To compare and groups rocks based on their appearance and physical properties. Our unit this term is Rocks and Fossils. Work through the PowerPoint to learn about the different types of rocks. On your daily walk or in your garden, can you find different rocks and group them? If you cannot find any rocks, there is a worksheet you can use to complete this activity.	<u>History</u> LO: To research and organise factual information about Mother Teresa. Watch Mother Teresa Lesson 1 and make some notes about what you learn. Try to organise your information into the subheadings: - Early life - Her work - After death Think about the key events in her life and what she is remembered for. We will be

	Extension: Can you decide whether the rocks are natural or man-made. Could you also group them by the type of rock they are?	using this research in the coming weeks.
