

KPA Year 4 Home Learning for Week Commencing 1st March 2021

Topic

James I of England was a Protestant king. In 1605, many of the aristocracy were Roman Catholics who wanted a Roman Catholic king. Led by Guy Fawkes, they plotted to kill the king. They didn't succeed and Guy Fawkes and the other traitors were captured. Find out more about the Gunpowder plot and what happened to those who plotted committed treason using the link below.

See website for further details.

D & T

Later this term, you will be designing a machine that will allow commercial travel through space and time. Think about the shape of your machine, its size, what 'extra' equipment it has. What do current or older spacecraft look like? Watch e.g. the following web link for ideas – don't forget to listen out for technical language that you can 'magpie' for your own machine.

<https://www.youtube.com/watch?app=desktop&v=8dpkmUjJ8xU> Or see more recent spacecraft – what type of engines are used in the Space X? What do they use for fuel?
