

Tuesday 23rd November 2021

LO: To plan an experiment.

P	I can	CT
	Must: Discuss how we can test waterproofness.	
	Should: make a prediction about which materials are waterproof.	
	Could: draw and label a design.	

Which materials will you use?

Draw how you will test how waterproof the material is:

A large, empty rectangular box with a black border, intended for a student to draw a diagram or illustration of how they would test the waterproofness of a material.

Draw how you will test how strong the material is:

A large, empty rectangular box with a black border, intended for a student to draw a diagram or illustration of how they would test the strength of a material.
