

Year 1 Topic Week Commencing 10th May 2021

Art

L.O: To draw a natural object from observation using different shading techniques.

Look at the different natural objects on the presentation, what do you notice about it?

Look at the 3 different shading techniques. Find a natural object and using the different shading techniques to draw it from observation.

PSHE

LO: To research how to keep our bodies healthy.
(Log in to Espresso before clicking the link)

Follow the 'keeping healthy' link and research what we can do to keep our bodies healthy. Can you video yourself explaining how to keep your body healthy.

Coding

[Discovery Education - Discovery Education - Coding - Home](#)

Continue with our coding lessons on espresso.

(Remember to log in before clicking the link)

This week we are continuing with instructions and buttons on block coding, 'Hungry Migbod'.

Watch the lesson video first to help you.

Music

LO: Understanding how sound is represented by symbols.

Follow the lesson on Oak National Academy and see if you can make your own music pattern with symbols.
