

Year 4 Home Learning for Week Commencing 1st November 2021

Halloween Activities (Any day)

Complete the print out or online activities to celebrate Halloween.

Topic (Tuesday)

LO: To create a timeline of the history of my locality.

Go through the lesson presentation, 'Local History Timeline'. Closely examine the example timelines shown. How do they display information to let you know when things happened? What other learning do they remind you of? (Link to maths, number lines).

Activity 1 : Make a list of events or historical periods that should be included in your timeline about Kimbolton or Great Staughton. Explain why you are choosing these events.

Activity 2: Present your work on a timeline, using bars to show duration of periods, arrows and annotations for key events and a numbered scale of years. Carefully consider the start and end dates of your timeline, and how long it should be.

Optional Task: Research other events that were happening at the same time as some of the events from your timeline.

Computing (Wednesday)

[Sign in | Discovery Education](#)

Log onto Espresso Coding and complete tasks from 'Block coding'. Continue to work your way through the activities on Level 1 or Level 2 (depending on where you are up to). Start on Level 3, if you have time. Complete 30mins - 45mins of work using this program.

RRSA (Wednesday)

Adequate Standard of Living

Go through the PowerPoint and complete some of the primary activities (near the end of the PPT).

PE (Friday)

Complete a Joe Wicks' 30 minute workout

Bonus activity

Write a diary entry about your half term. Think about what activities you may have completed, what you enjoyed and what you may have played or watched on TV. Try to include many of the SPAG focus tasks that have been completed before the holidays.
