

PSHE

LO: To understand what is bullying and how we can be kind to everyone.

This week is anti-bullying week, we are looking at what is bullying and how we can be kind. Take a look at the video:
<https://youtu.be/oJQg2JyQ3mM>

Task: Create an informative poster or leaflet explaining how we can be kind. What ways can we show kindness? How does it make people feel when they are shown kindness?

Science

LO: To investigate how light is reflected by different surfaces.

In this weeks lesson we will be finding out more about how light is reflected and explain how mirrors are commonly made.

Work your way through the PowerPoint.

Task: Complete the two different games explained on the PowerPoint using mirrors. After you have done this, complete the Mirror Games Activity Sheet to draw what you did and explain what happened.

French

LO: To apply number word knowledge to make sentences.

Recap the learning from last week about counting from 0 to 10. Use the PowerPoint to listen and practice the question that we will be asking this week "Quel âge as-tu?"

Play along with the birthday card game to practice asking and answering how old someone is.

PE

Complete a Joe Wicks 30 minute workout on YouTube.

Topic - Drama

LO: To research and recreate a scene showing Roman life.

Work through the PowerPoint to find out more information about the different people in Roman life. With the people in your household, can you create a role-play between a rich Roman and a poor Roman. Try to use some of the vocabulary in the PowerPoint.

Exciting Writing

Using the picture and the story starter, can you continue the story? Use the questions to get your brain thinking.
