

DT

In this unit, we are looking at Roman entertainment. Watch the video of the Roman Colosseum <https://youtu.be/e-x74MFiWkg>. Look at the images of different Roman artefacts and jot down everything that you could learn from that artefact and what they think it might be used for. Think about *What is it made of? What was it used for? What size is it? What does the image show? Why?* Then, choose one of the artefacts and complete the sheet.

Science 1

Our topic this term is Animals including humans.

Complete the KWL grid.
Remember to only complete the 'K' - *What I know* and 'W' - *What I want to know* sections. We will complete the 'L' - *what I have learnt* section at the end of our topic.

Science 2

In this session we are identifying and sorting animals based on their skeleton.

Work through the PowerPoint.

Complete the sorting skeletons images activity.

Extension: Can you write pros and cons of each skeleton?

PE

Complete a Joe Wicks 30 minute workout on Youtube.

PSHE

Rights and Responsibilities - Exploring pupil voice.

Use the PowerPoint as a guide through the different activities set for primary school aged children.

French

In this session we are learning how to greet people in different ways.

Work your way through the PowerPoint and complete the activities alongside.
