

Important events in my life

- The most important event in my life was when I was born.
- Another important event would be the first day I went to school.
- Also an important event would be when I made my friends.

What I like doing

- I like baking and cooking.
- I also like playing games with my family.
- I love going out on bike rides with my dad.
- I also like swimming and going out with my friends and family.

Dreams for the future

- I would love to be a scientist and help people and animals.
- I would also love to be able to find the cure for a medicine.
- I would like to be able to get good grades to help me get good jobs.

What I believe in

- I believe in rebirth coming back to life as an animal.
- I believe you should always be kind, loyal and honest.
- I sort of believe in a god.
- Some stories I believe in the bible but some I don't.
- I believe you should always try your best.

Important people to me

- The most important people to me are my family.
- Especially my mum, my dad, my granddad, my sister, and my grandad.
- I also think friends are very important people to me.
- My teachers are very important as well. My teaching assistants.

My favorite things

- My favorite colour is Magenta.
- My favorite thing to play with are my teddies.
- My favorite meal is Curry.
- My favorite subject is Science but I do really enjoy Maths.

How this will change over time and how it has changed

- It has changed because the first place I went was nursery and I had my set of friends then and the I went to primary and had a different set of friends.
- It will change over time because there will probably be more to my family for example if I have children or a husband.
- It will also probably change over time because my favorite things will probably be clothes.
- Also an important event will be when I go to secondary and make new friends.
