

## Topic Home Learning Week Commencing 22<sup>nd</sup> March 2021

This term our topic has been all about 'Bean to bar'.

We immersed ourselves in this learning by reading/listening to Charlie and the chocolate factory, taking part in a survey for market research, designing our own chocolate bar, designing and making the wrapper for our own chocolate bar. We also looked at how chocolate was made from bean to bar.

To celebrate all of our learning about the topic, we would like you to come up with a poster with everything you have learnt/know about chocolate 'from bean to bar'. Looking back at your home learning topic work may help jog your memory. This poster should be colourful along with information.

We can't wait to see them!
