

(enquiry question)

In this investigation, we wanted to find out \_\_\_\_\_.

To do this, we tested two different body parts: \_\_\_\_\_ and \_\_\_\_\_.

In our first scatter graph, we used stickers to show

The stickers showed us that \_\_\_\_\_.

In our second scatter graph, we used stickers to show \_\_\_\_\_.

The stickers showed us that \_\_\_\_\_.

Overall, I think that our investigation showed that \_\_\_\_\_.
