## Year 1:

**Something easier:** cut and order the pictures to show the order the events happened.

**Main activity:** complete the activity sheet. Use the lesson video to help you.

**Something Harder extension:** Create your own 'first, then, now' storyboard. Can you label what happens first, then and now?

## Reception:

**Main activity:** draw a picture of something you do before and after school. Label your pictures using the key words.

**Something harder:** cut and order the pictures to show the order the events happened.
