What is a story map?

A story map is a sequenced drawing to help you retell a story. It shows the beginning, middle and end.

Lets make
our own
class story
map!

Can we add time connectives to our story map?
This will help put the pictures in order.

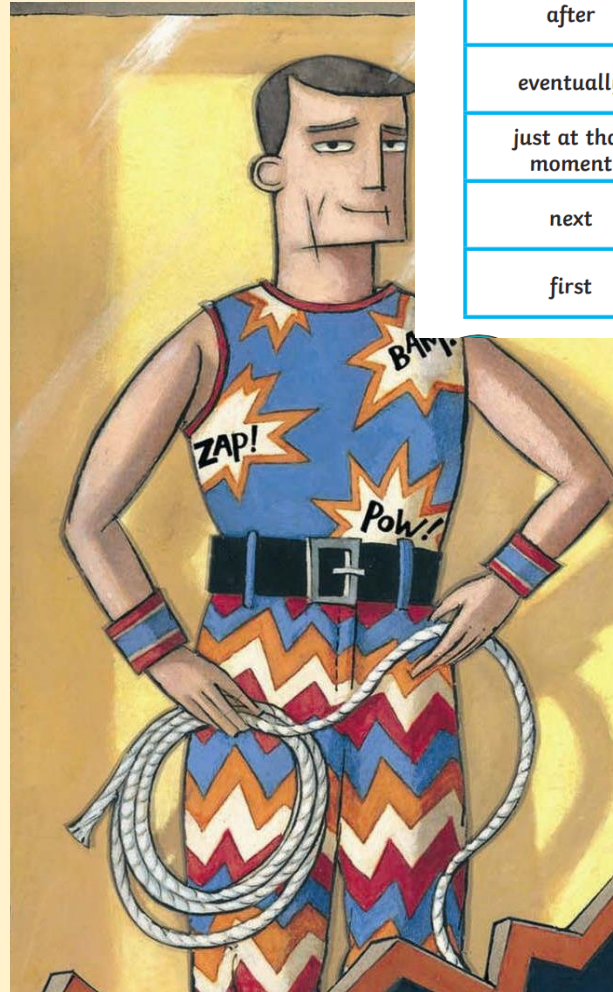

Time Connectives

after	as soon as possible	before	earlier
eventually	finally	in the beginning	in the end
just at that moment	just then	later	meanwhile
next	several months later	suddenly	while
first	without warning	second	after that

Task:

Make your own story map using the pictures/ own drawing.
Add time connectives to sequence.

Time Connectives

after	as soon as possible	before	earlier
eventually	finally	in the beginning	in the end
just at that moment	just then	later	meanwhile
next	several months later	suddenly	while
first	without warning	second	after that

Challenge:
Can you use
your story
map to retell
the story?
