

Reception L.O: To be able to identify coins.

**Must:** Can recognise coins.

**Should:** Can match coins to the value.

**Could:** Can order coins by value.

Year 1 L.O: Find the total of money.

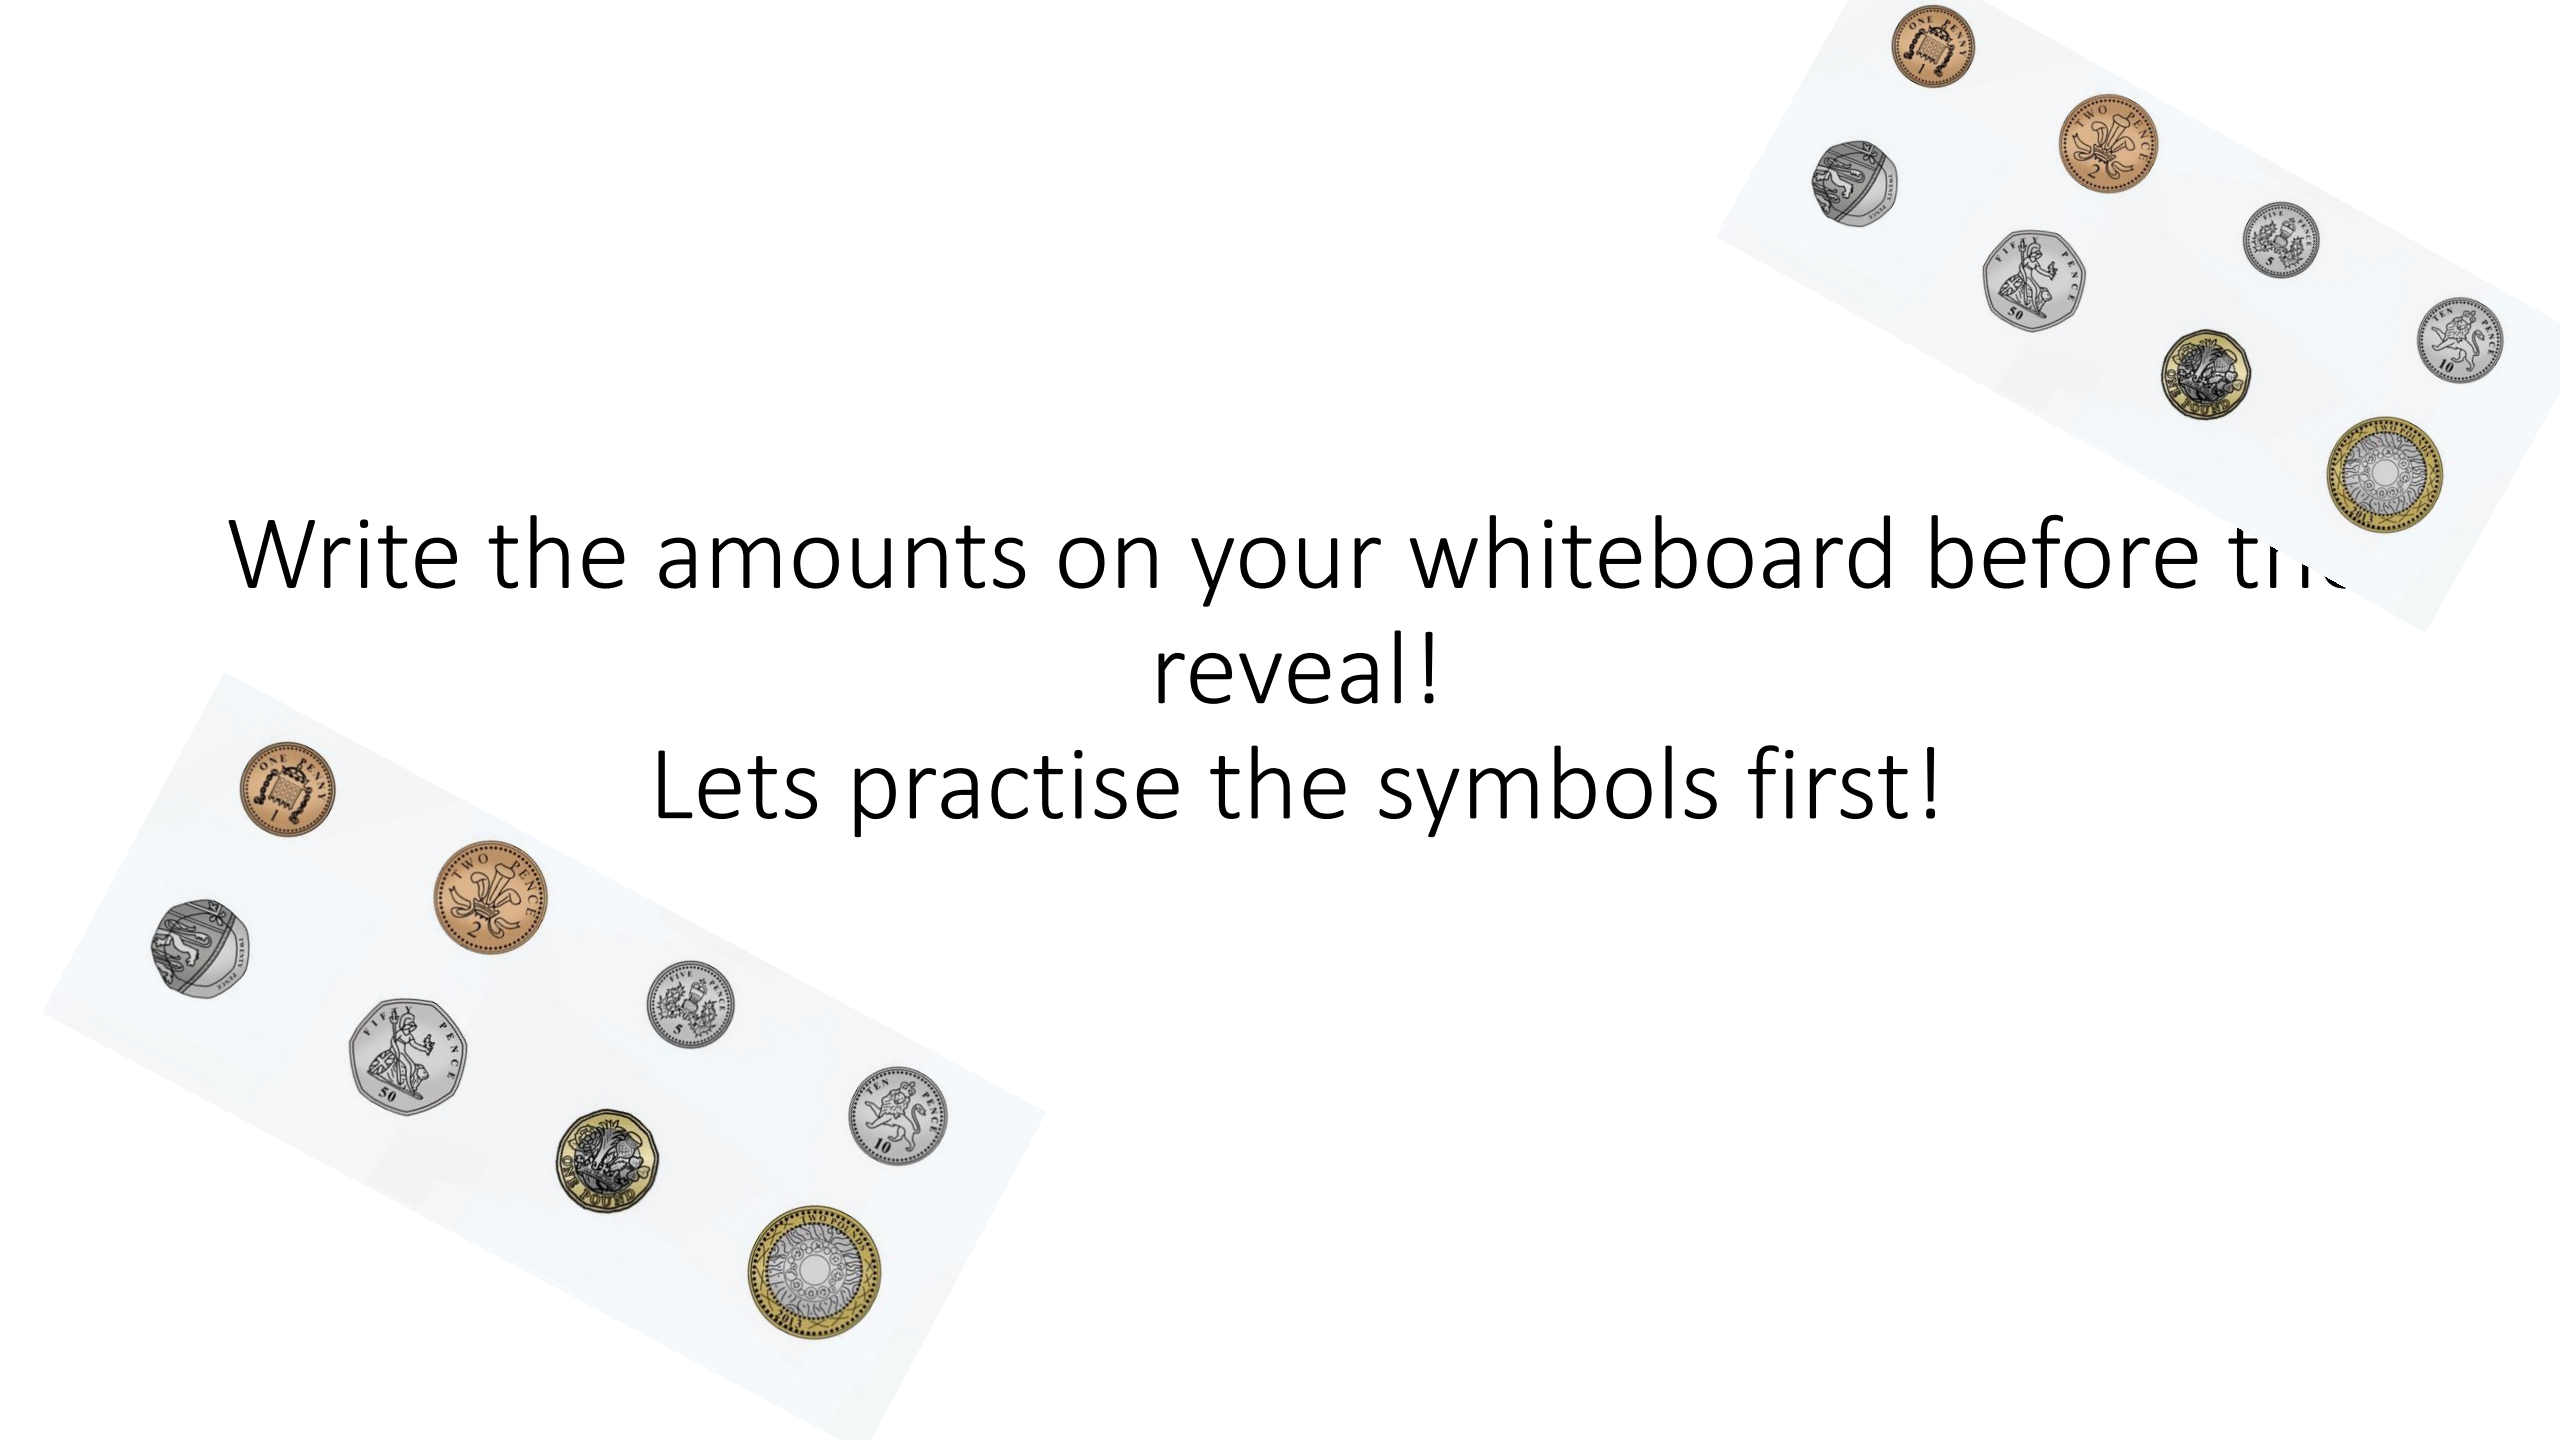

**Must:** Identify coins.

**Should:** Understand the value of coins and begin to add together.

**Could:** Use knowledge about numbers to solve problems.

Starter: Can you describe what a 1p looks like to your partner?

Write the amounts on your whiteboard before the  
reveal!

Lets practise the symbols first!

£1

£2

Can you pick 3 coins?  
Let's discuss how we can find the **total value** of the  
coins.

+

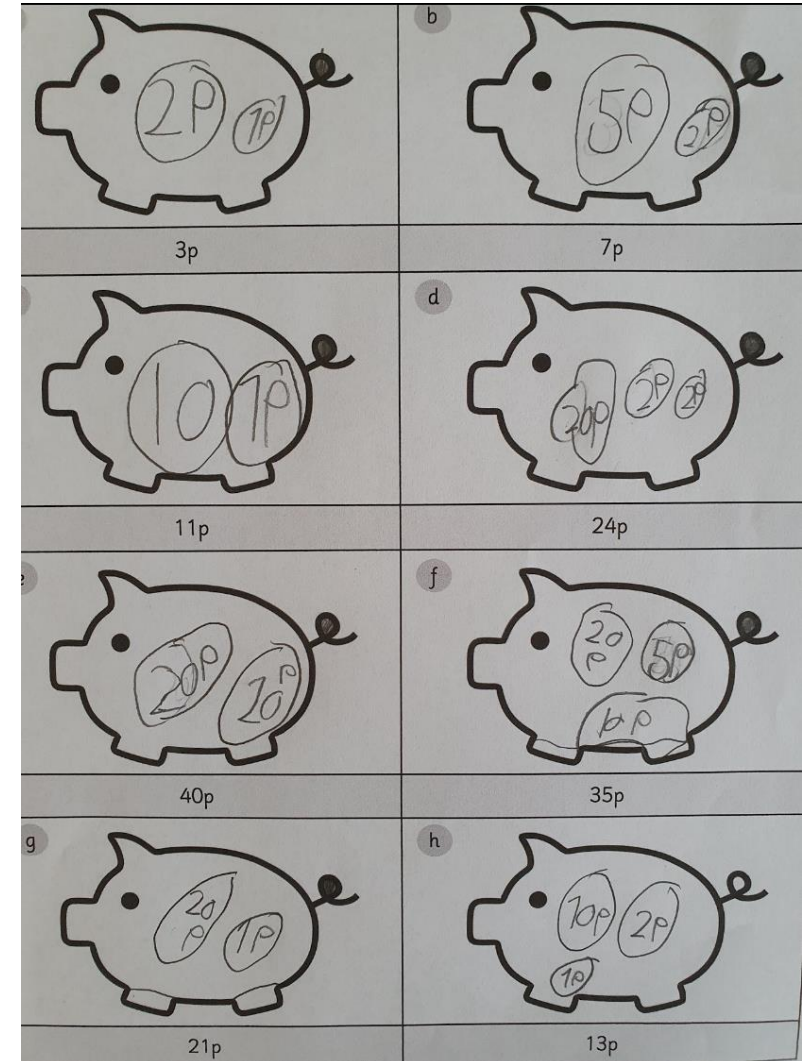

=

Task:

Add the money together and work out the total value.

Challenge: Can you draw the correct coins to make the value?

Plenary:

Lets go to the toy shop and buy something with our money!
