

Frequently Asked Questions

Year 1 Home Learning 4th - 15th May 2020

Does my child need to complete all of the activities?

Parents can choose the activities they think will work best for their child or children, or they can allow pupils to choose which activities they complete and when. It is anticipated that most children will complete most activities during the two weeks.

Should I mark my child's work?

You don't need to give formal marking, but it is always helpful to chat and give feedback! You could ask them:

"What went well?"

"How could you make it even better?"

"What would you do differently next time?"

What if my child has already done this Espresso activity?

Some children may have logged in to try different activities already! If this happens, they can browse Espresso and find a different activity to try instead.

What if I don't have a laptop or device available for my child?

RE: Can you read the story of the Good Samaritan in a Bible? You can find it in: Luke 10:25-37

Topic: Have you got any information books you could use to research facts about Africa?

Phonics: Use your phonics packs to re-cap phase 5 sounds (these are the ones on the blue sound mats). Ask your child to identify the different graphemes that make the same sound focussing on ea, ey and e-e (phase 5). Can they make a list of words containing each of the sounds?

PE: YouTube is available on some smart TVs. However, if they can't watch Joe Wicks, can they make up their own workout? Perhaps they can teach it to mum, dad, or a sibling!

Art: The primary colours are red, blue and yellow. The secondary colours are made by mixing the primary colours eg:

Blue + red = purple

Yellow + red = orange

Yellow + blue = green
