

Where do we live?

UK &
Éire

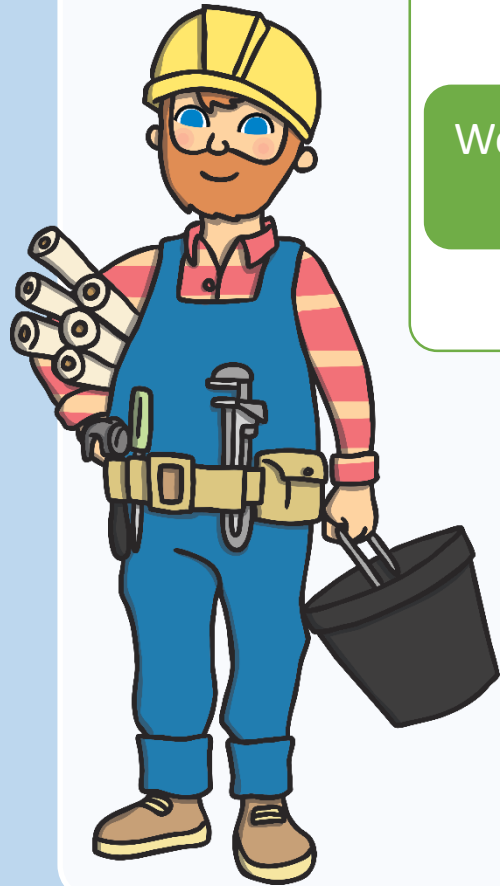

We live here!

LO: to describe the human and physical features of where we live.

Human Geographical Features

Features of our world that have been made by humans.

We call these **human geographical features**.

Bridge

Man made

Road

A special surface for vehicles to use.

City / Town / Village

Usually, a large place with lots of people and buildings.

Human Geographical Features

Shop

A place where things are bought and sold.

Factory

A place where goods that will be sold are made.

House

A place where someone lives.

Physical Geographical Features

The features of our world that have been created by nature.

These are called **physical geographical features**.

Coastline

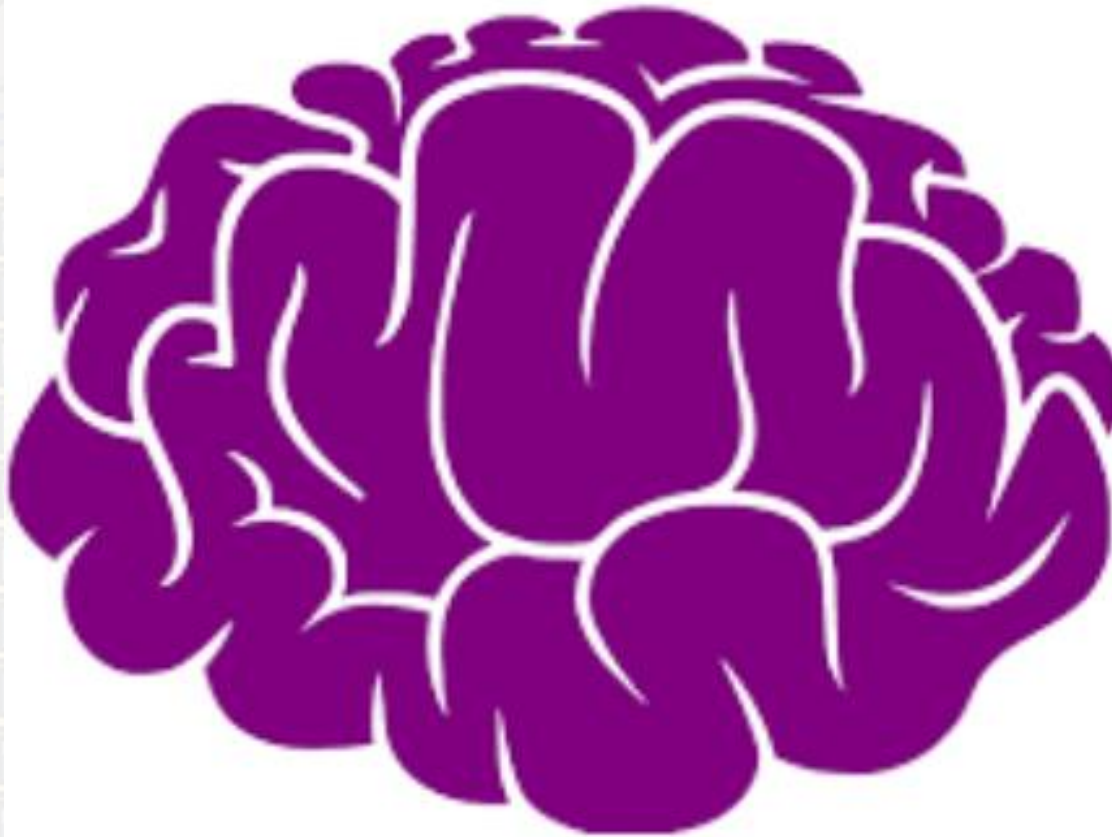

Forest

Beach

Let's do a quick quiz!

Have you got
your thinking
brain on?

Quiz

Human or Physical?

These beach huts are a **human** geographical feature.

Quiz

This river is a **physical** feature.

Quiz

Human or Physical?

This mosque is a **human** geographical feature.

Quiz

Human or Physical?

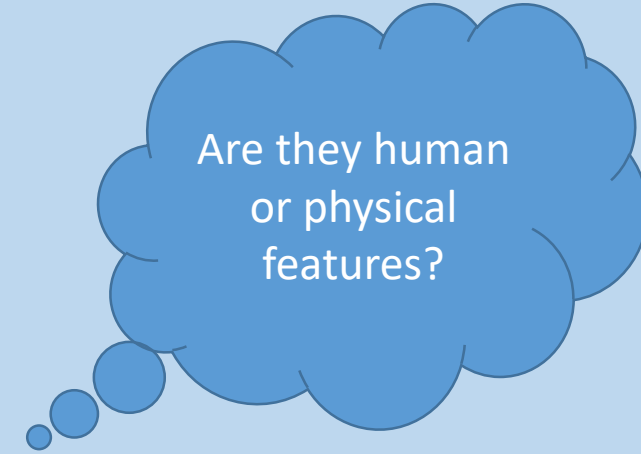

These towers of rock are a **physical** geographical feature.

What features do you think Great Staughton has?

Are they human
or physical
features?

What features do you think Kimbolton has?

Task:

Create a poster about where you live.

- 1) Draw/ stick pictures of features in your own village or town.
- 2) Label the features to show if they are human or physical geographical features.

Something harder: Create a map of your town/village like the one in the image. Can you label some key physical and human geographical features? You might want to use an online map or birds-eye view image to help you.

Something easier:

Something easier
