Reception LO: to match sets of objects to numerals.

Must: Recognise numerals 0-10.

Should: Accurately count objects first then match to numeral.

Could: Count further than 10.

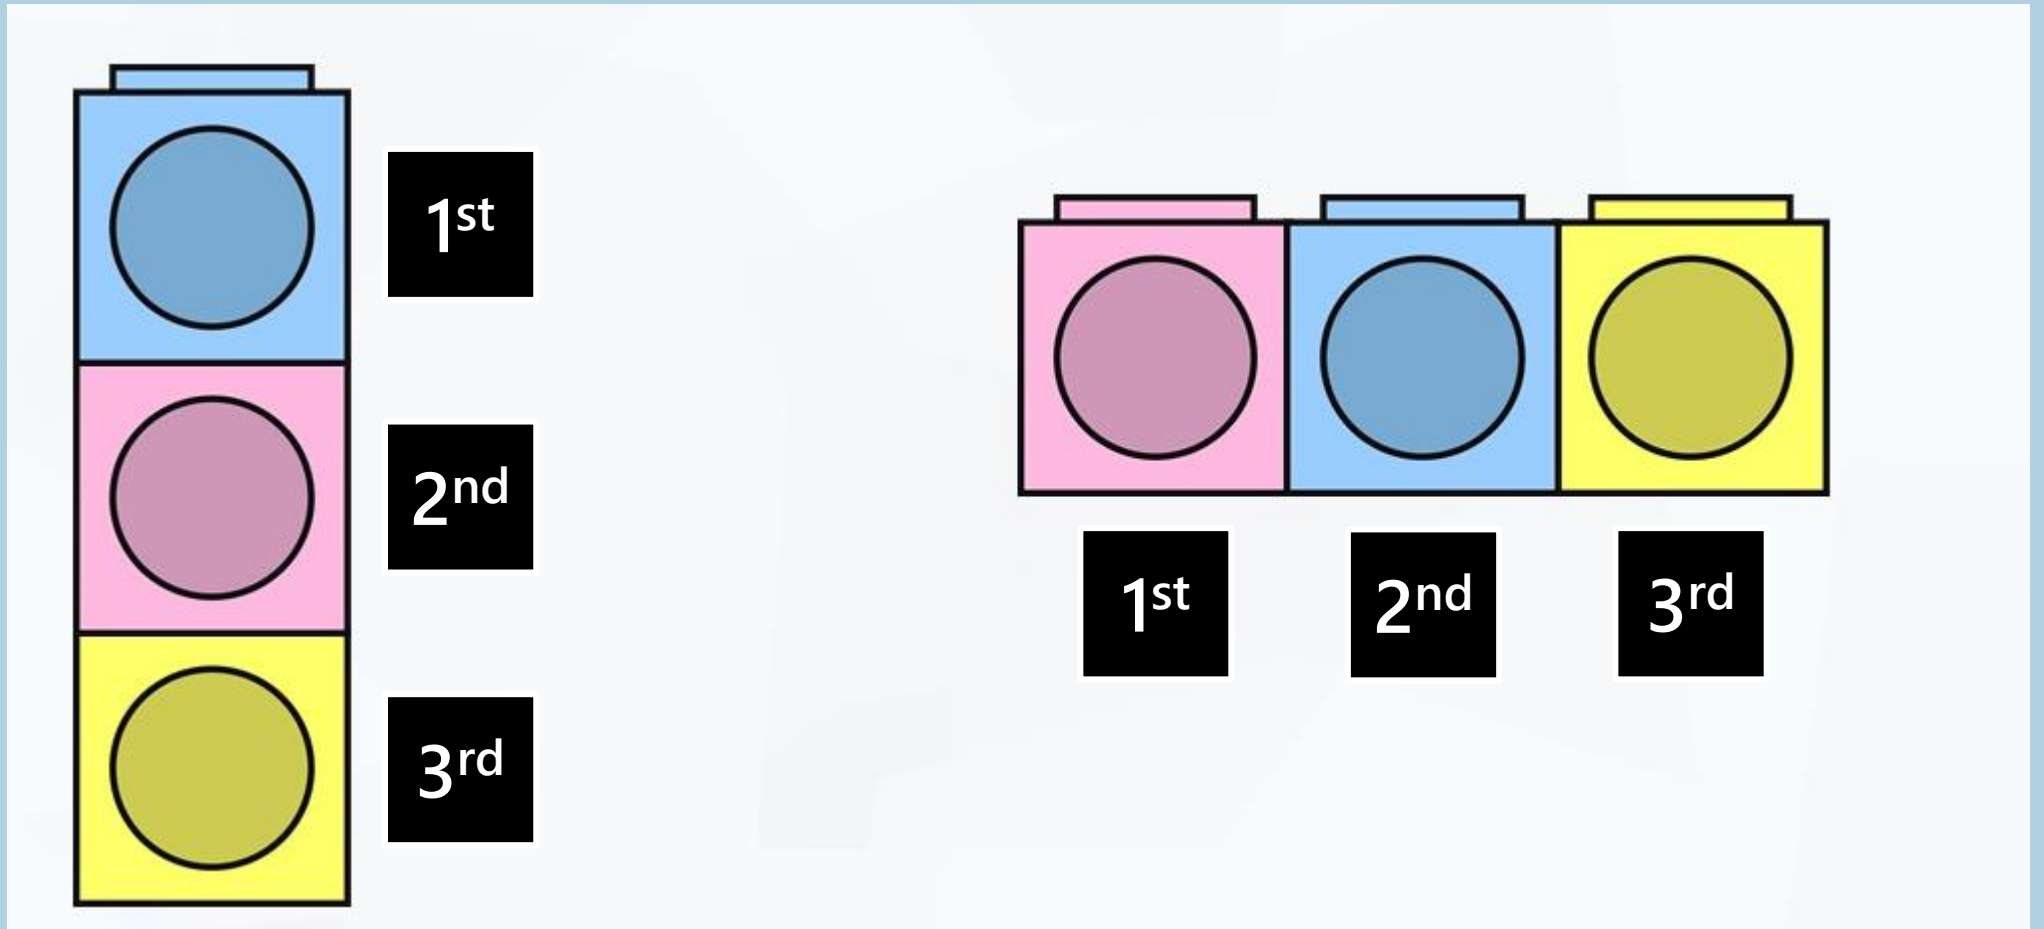

Year 1 L.O: To order numbers by value.

Must: Identify numbers on a number line.
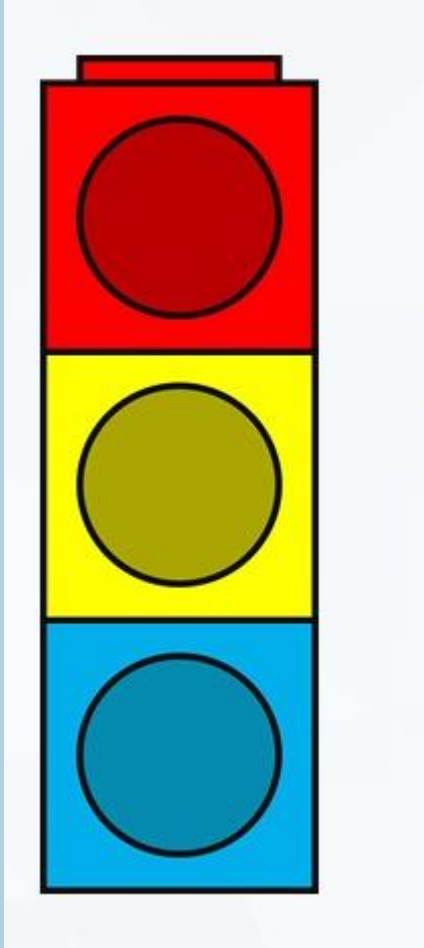

Should: Use mathematical language to compare numbers.

Could: Explain their reasoning.

How could we describe the order of the cubes?

Could the order be described in a different way?

**Build the cube structure then complete the sentences.**

The __red__ cube comes first.

The __yellow__ cube comes second.

The __blue__ cube comes third.

Build the cube structure then complete the sentences.

1st cube = green

2nd cube = red

3rd cube = yellow

Your Task:

We are going outside to have a race!

Challenge sheet: colour in the correct object.

Use the instructions to draw the shape pattern.

First is a rectangle.

Last is a circle.

Third is a square.

Second is a triangle.
