

Year 1 Home Learning Week Commencing 15th March 2021

Science

L.O: To explain how trees change across the seasons.

Watch the lesson video investigating how trees change during the different seasons.

<https://classroom.thenational.academy/lessons/how-do-trees-change-across-the-seasons-chhk2r>

Activity: Using the sheet draw how trees look during the different seasons.
Don't forget to colour!

Handwriting

This week we are going to look at j, v and w.
See if you can remember your caption actions for the sounds.

j j jiggle jelly

v v vroom vroom

w w whiffy Wilson

Practise your letter formation using the sheets.

Challenge: practise writing some of your tricky troll words using the sheets to support.

PSHE

L.O: To understand why it is important to keep ourselves and others healthy.

Watch the lesson video where it explains why it is important to keep ourselves and others healthy during the current situation. Instead of hugs we can use 'healthy hugs' when we return to school.

<https://classroom.thenational.academy/lessons/healthy-hugs-c5h3ge>

Can you make a poster of actions we need to do to keep ourselves and others safe.

Art and Design

L.O: To create a spring collage.

Watch the lesson video to inspire you to make a spring collage.

<https://classroom.thenational.academy/lessons/to-create-a-spring-collage-ctgkee>

You can use a variety of materials to make your collage. You could even collect spring objects from your garden to include in your collage.

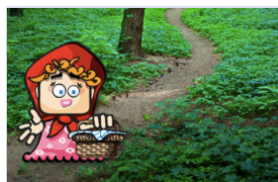

Coding

Follow the coding lesson **Level 2 'Red riding hood'**.

Comic Relief 2021

This year comic relief want you to share a smile!
Watch the video:

<https://www.bbc.co.uk/cbeebies/joinin/share-a-smile>

Choose from one of these activities to complete:

- Draw a rainbow or a smiley face to stick in your window.
- Take a photo/video of something that makes you smile.
- Singin, dancing, or jumping for joy, maybe on a trampoline if you have one.
