il
le

Player 1 pulls a card from the pack without showing Player 2.

Player 1 reads the word to Player 2.

Player 2 writes the word on a whiteboard, choosing the correct ending.

Player 1 checks to see if it is spelt correctly.

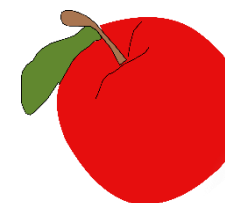

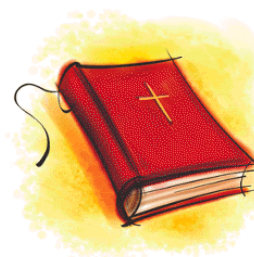

If the spelling is correct, Player 2 moves his counter to the next space with that ending on it.

Then it is Player 2's turn to choose a card for Player 1.
