

Oak/Jupiter Class English Home Learning Week Commencing 15th March 2021

SPaG

LO: To explore expanded noun phrases.

Watch the Oak Academy lesson on expanded noun phrases.

Do you remember the different word groups nouns, adjectives, verbs and adverbs?

What is an expanded noun phrase?

Can you spot the expanded noun phrases in the lesson and try to create some of your own.

[To explore expanded noun phrases \(thenational.academy\)](https://www.thenationalacademy.com/expanded-noun-phrases/)

SPaG

LO: To practice using apostrophes for contractions, plural and possession.

Work through the two PowerPoints about apostrophes, one for possession and one for contraction. Follow along with the questions on the PowerPoint.

Can you write some of your own sentences using apostrophes.

SPaG

LO: To practice applying prefixes and suffixes to words.

Watch the song about prefixes and suffixes here:

<https://youtu.be/Wel9tQmcIQc>

Using the prefix and suffix word mats to help you, sort the words on your worksheet into prefixes, root words and suffixes.

Challenge: can you write a list of what some of the prefixes and suffixes mean e.g. tri means three

Exciting Writing

For our Exciting Writing this week, can you edit your writing from last week. If you have uploaded your work to Tapestry, your teacher will have provided you with feedback to work on. As always, focus on your spelling, capital letters and punctuation.

Read your work again to check that it makes sense and use a thesaurus to help you make more interesting word choices.

This is your opportunity to show off your literacy skills that you have learnt so far such as alliteration, metaphors, comparative and superlative adjectives etc.
