Dear Father Christmas,

How are you? I hope that your reindeer are well. I am writing to tell you about what I would like for Christmas because I have been trying very hard to be good this year.

I would really like a shiny, red scooter so that I can ride to school quickly. Could it have a big, silver horn on the handlebars, please? My friend Sarah has a scooter and she can scoot at 8mph. I want to see if I can scoot faster than her.

I would also like a warm winter jumper to wear when it snows. I would love it if the jumper could be red and have penguins on the front.

I have been trying very hard to be kind to my sister. I am also very good at being the special helper at school. I hope that I have been nice enough to be on your good list this year.

I hope that your preparations for Christmas Eve are going well. What a busy man you are going to be!
