

Year 2 Home Learning for Two Weeks Commencing 18th May 2020

Frequently Asked Questions

Does my child need to complete all of the activities?

Parents can choose the activities they think will work best for their child or children, or they can allow pupils to choose which activities they complete and when. It is anticipated that most children will complete most activities during the two weeks.

Should I mark my child's work?

You don't need to give formal marking, but it is always helpful to chat and give feedback! You could ask them:

"What went well?"

"How could you make it even better?"

"What would you do differently next time?"

What if my child has already done this Espresso activity?

Some children may have logged in to try different activities already! If this happens, they can browse Espresso and find a different activity to try instead.

What is a philosophy question?

It is just a 'big' question. There is no right or wrong answer and is designed to allow your child to think creatively. It is important to value their ideas even if they seem unusual or are very different to your own.

What if I don't have a laptop or device available for my child?

Topic: Use books or your own knowledge.

PE: Just have a discussion about water safety. What makes water dangerous? How can we protect ourselves? Talk about buoyancy aids, adult supervision, wearing the right kit etc.

Art: Absolutely fine to use books here too!

Bonus: Practise times tables with your child in another creative way! You could even make up a song.
