

Year 3 Home Learning for Two Weeks Commencing 13th July 2020

Frequently Asked Questions

Does my child need to complete all of the activities?

Parents can choose the activities they think will work best for their child or children, or they can allow pupils to choose which activities they complete and when. It is anticipated that most children will complete most activities during the two weeks.

Should I mark my child's work?

You don't need to give formal marking, but it is always helpful to chat and give feedback! You could ask them:

"What went well?"

"How could you make it even better?"

"What would you do differently next time?"

What if my child has already done this Espresso activity for computing?

Some children may have logged in to try different activities already! If this happens, they can browse Espresso and find a different activity to try instead.

Where can I find online resources about my child's Science topic?

BBC Bitesize is a fantastic resource to help with your child's learning of plants

<https://www.bbc.co.uk/bitesize/topics/zy66fg8>. There is also a Power Point uploaded to the class page on the school website.

What if I don't have a laptop or device available for my child?

PE: If you cannot access the Espresso link to complete the gymnastics module then why not discuss this with your child yourself? What do you think is important in gymnastics? You could discuss some movements and try them (with care and necessary space) at home together.

Art: If you can't access the link could you use your own device to show your child some Ancient Egyptian ruins? This would be really helpful in getting them to draw their own. If not, they could go out into their local environment and find their own ruins to sketch.

Topic: Don't worry if you can't access the internet for this, instead can you ask your child to create their own 'true or false' quiz about everything they have learnt about Ancient Egyptians.

Bonus Activity: If you can't access the web link, there is a pdf version on the class page which has lots of facts about the Tutankhamun.
