

Year 3 Home Learning for Two Weeks Commencing 20th April 2020

<u>Topic</u> This is a good time to think about our new Topic for Summer term – Ancient Egyptians. Where is the River Nile?  Use Google Maps or another maps app to find it, then draw your own labelled map to show where it is.	<u>RE</u> It is nearly Easter but what is Easter and why do we celebrate it with Easter eggs and the Easter bunny? With an adult helping, you use the internet to research. Once you've understood the meaning behind eggs at Easter, design your own following the religious meaning. 	<u>Computing</u> Use Espresso Coding and work through 'Year 3 – Starter Unit' Use your Espresso username and password to login (in the back of your reading diary).  https://central.espresso.co.uk/espresso/coding/unit.html#/unit3s/lesson1
<u>PSHE</u> We need to always remember to look after ourselves to make sure we stay fit and healthy both physically and mentally.  Write a list of all the ways you can keep your body and mind healthy. You might choose to write this up on a computer.	<u>Music</u> A spring has just sprung, it's a perfect time to get creative and come up with your own music for this season.  Venture out into the garden or listen closely from your window. What can you hear? Is it the music from nature or the weather? You could find things around the house that sound similar to this!	<u>PE</u> Keep physically fit by completing Complete a body coach kid's workout with Joe Wicks!  https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ Remember it doesn't matter if you need to stop frequently just continue when you're ready and have fun! It only 30 minutes after all! 😊
<u>Art</u> Recap what a human or physical feature is in your local outside environment – your garden is fine! Choose one of these features and sketch an object outside. Some examples include: <u>Human</u> – pond, shed, bench <u>Physical</u> – tree, hedge, flower, 	<u>DT</u> Design and make a toy to entertain a younger brother or sister (or you) using recycled junk materials Think about what might capture their interest – <i>bright colours, interesting sounds</i>. Remember to be as creative as possible here! 😊 	<u>Science</u> <i>Rocks & Soils:</i> Watch the BBC Bitesize clip to recap how fossils are made.  https://www.bbc.co.uk/bitesize/topics/z9bbkqt/articles/z2ym2p3 Have a go at drawing your own dinosaur fossil using key parts you now know make up a fossil.
★ <u>Bonus Activity</u> ★ Write a dairy entry or a series of diary entries about your home learning activities. Try to include as much description as possible and include how you're feeling to make it as personal as possible.
