

Year 3 Maths Week Commencing 8th February 2021

Monday	Tuesday	Wednesday	Thursday	Friday
LO: To recap telling the time to o'clock and to half past.	LO: To recap how to write the time. LO: To practice reading the time to quarter past and quarter to.	LO: To practice telling the time to 5 minutes.	LO: To find and compare durations of time.	Please complete the Year 3 Spring 1 Quiz. Upload this work to tapestry.
Teaching input: Watch YR3Time L1. Follow along with the activities and pause the video to fill in your blank clock.	Teaching input: Watch YR3Time L2. Follow along with the activities.	Teaching input: Watch YR3Time L3. Follow along with the activities.	Teaching input: Watch YR3Time L4. Follow along with the activities.	
Activity/Resources: Fill in your blank clock alongside the video and use the website to practice making o'clock and half past times. Complete question sheet 1 and try bonus questions to challenge yourself.	Activity/Resources: Use the website to practice making quarter past and quarter to times. Complete question sheet 1 and try bonus questions to challenge yourself.	Activity/Resources: Can you complete the clock faces for each time shown. Write a sentence for each time e.g. <i>The minute hand is pointing to 7 and the hour hand is almost pointing to 5. This means it is 25 minutes to 5 or 4:35.</i>	Activity/Resources: Complete the question sheet for L4 and pick the level of difficulty that suits you. Have a go at the discussion questions.	
	Please upload to Tapestry.	Please upload to Tapestry.
