L.O. To use a step-by-step process to explain.

Self- Assessment	Success Criteria	Teacher Assessment
	I can use steps to explain a process.	
	I can include a title, introduction and final statement for the process being explained.	
	I can write a topic sentence for each step and include additional sentences to provide further information.	
	I can group my sentences together to create paragraphs.	

Title:

Step 1: First, place the bread in the toaster slot and push handle pushed down.
This causes an alarm bell to ring.
