

## Year 4 Home Learning for Two Weeks Commencing 13<sup>th</sup> July 2020 - FAQs

### **Do I need to complete all of the activities?**

Parents can choose the activities they think will work best for their child or children, or they can allow pupils to choose which activities they complete and when.

### **Should I mark my child's work?**

You don't need to give formal marking, but it is always helpful to chat and give feedback! You could ask them:

"What went well?"

"How could you make it even better?"

"What would you do differently next time?"

### **Where can I find more information on my child's Science topic?**

The following website has useful info for parents:

<https://www.theschoolrun.com/what-are-states-of-matter>

### **What if I don't have a laptop or device available for my child?**

**RE:** Ask your child what they can remember learning about Islam at school. What questions do they have? Why do they think prayer is important to Muslim people?

**Music:** Can your child remember some of the songs we sing in assembly at school? Challenge them to teach you the words and actions if appropriate. Then see if you can teach them a song you remember from school or from another time.
