

Year 4 Optional Extra Learning for Two Weeks Commencing 18th May 2020

Topic What other famous rivers can you name? Can you find them on a map or in an atlas? 	RE Think about special celebrations that take place in church - can you describe them? 	Computing Complete the final (advanced) task in the unit you did - create your own app or animation in Espresso! https://central.espresso.co.uk/espresso/coding/unit.html#/unit4b/lesson1
PSHE Draw a picture of yourself and then mind map or add thought bubbles to show the things you are looking forward to doing in the future.	Music Make up some actions for your song and perform it for your family. 	PE Play the game you created. Can you extend it further and find ways to make it easier for a younger brother or sister, or harder for an older one (or someone who is very good at sport)?
Art Use your 3D sketching skills to draw a sketch of something in your house - a cup, mug, vase, or bottle would be great! Can you add light and shade? 	DT Evaluate your Lego model. What was successful? Which brick shapes helped you create the shape you wanted? 	Science <i>Sound:</i> Write what happened during your investigation and add diagrams. Remember to use scientific language. 
★ Bonus activity: ★ Think back to the book you chose - can you write a setting description? Where did the action take place and what was this place like?
