

Wednesday 3 rd March, 2021 L.O. To use a flow diagram to sequence a process.		
Self- Assessment	Success Criteria	Teacher Assessment
	I identify the key steps in a process.	
	I can use a flow diagram to sequence the key steps in a process.	
	I can include time and causal conjunctions to ensure that the order and cause and effect of each step is clear.	
	I can include technical language.	

Introduction:
