

Year 5 Maths Week Commencing 6th December 2021

Monday 06.12.2021	Tuesday 07.12.2021	Wednesday 08.12.2021	Thursday 09.12.2021	Friday 10.12.2021
LO: To organise data by creating a frequency table	LO: To read and interpret line graphs	LO: To draw a line graph accurately	LO: To read and interpret information in a table	Maths Whizz
How can we collect data from a survey? Look at the teacher example PDF. Think about how the same information has been shown in different ways. Focus on the 'frequency' part of the information - the total of each grouping.	Go through Classroom Secrets PowerPoint. Answer the questions throughout the PPT	Watch teacher input video from White Rose Maths. GS: 08.12.2021 Y5 Draw Line Graphs WRM Teaching Video Great Staughton Primary Academy (primarysite.media) KPA: 08.12.2021 Y5 Draw Line Graphs WRM Teaching Video Kimbolton Primary Academy (primarysite.media)	Look at the information provided about planets from the worksheet. What information can go comprehend from the table? What questions could you generate from the information provided?	60 minutes  Maths-Whizz® Brought to you by Whizz Education Login Maths-Whizz
<u>Activity/Resources:</u> Select your appropriate level from the 3 way differentiated worksheet	<u>Activity/Resources:</u> Select your appropriate level from the 3 way differentiated worksheets Both fluency and RPS	<u>Activity/Resources:</u> Complete WRM worksheet Extension: True or false activity	<u>Activity/Resources:</u> Select your appropriate level from the 3 way differentiated worksheet	

Please use Tapestry to upload completed work. If you do not use Tapestry, please email to school office.
