

Year 5 Maths Week Commencing 7th February 2022

Monday 07.02.2022	Tuesday 08.02.2022	Wednesday 09.02.2022	Thursday 10.02.2022	Friday 04.02.2022
Multiplication Activities  Times Tables Rock Stars: Play (ttrockstars.com)  Hit the Button - Quick fire maths practise for 6-11 year olds (topmarks.co.uk)	LO: To connect multiplication by a fraction to finding fractions of whole numbers We already know how to find the fraction of an amount. How can we now use that and progress our learning? e.g. What is $1\frac{1}{2}$ times larger than 30? What skills do we need to use to work this out? Can we show this pictorially? Are we able to explain what we're being asked to do?  Activity/Resources: Complete worksheet (3 level differentiation) Remember to show your thought process through jottings.	LO: To use fractions within problem solving tasks Watch WRM teaching video input. GSPA: Problem solving with fractions Great Staughton Primary Academy (primarysite.media) KPA: Problem solving with fractions Kimbolton Primary Academy (primarysite.media) Activity/Resources: Complete worksheet. Extension: True or False statement.	LO: To consolidate my understanding of fractions Today, you will be reflecting on your learning from the whole block of work based on fractions. If you are unsure of any content, look back at the PowerPoints and teaching videos to help with your understanding. Activity/Resources: Complete consolidation pack.	Maths Whizz 60 minutes  Maths-Whizz® Brought to you by Whizz Education Login Maths-Whizz

Please use Tapestry to upload completed work. If you do not use Tapestry, please email to school office.
