| Look                                                                              | Cover | Write                                                                             | Check                                                                               |

Autumn Term    Year 5    This week's spellings focus is on adding suffixes to words ending in 'fer' e.g. preference.

|               | 1st Attempt | 2nd Attempt | 3rd Attempt |
|---------------|-------------|-------------|-------------|
| refer         |             |             |             |
| referring     |             |             |             |
| referral      |             |             |             |
| referred      |             |             |             |
| reference     |             |             |             |
| prefer        |             |             |             |
| preferring    |             |             |             |
| preferred     |             |             |             |
| preference    |             |             |             |
| differ        |             |             |             |
| difference    |             |             |             |
| different     |             |             |             |
| differently   |             |             |             |
| differentiate |             |             |             |
| transfer      |             |             |             |
| transferred   |             |             |             |
| transferring  |             |             |             |
| interfere     |             |             |             |
| interfering   |             |             |             |
| interference  |             |             |             |
